

AMENDMENT NO. 1
dated November 8, 2011
To the Simplified Prospectus dated June 30, 2011
of
Investors Summa Global Environmental Leaders Class
Investors U.S. Large Cap Growth Class
And
Investors Summa Global SRI Class
(the “Classes”)

The Simplified Prospectus for the Classes dated June 30, 2011 is hereby amended effective immediately as described herein. All capitalized terms not defined herein have the respective meanings as set out in the Simplified Prospectus.

Proposed Mergers

This amendment is to provide notice to investors that I.G. Investment Management, Ltd. (the “Manager”), as manager of the Classes, intends to merge each Terminating Class into the Continuing Class listed opposite the Terminating Class as indicated in the table below (referred to collectively as the “Mergers”):

<u>Terminating Class</u>		<u>Continuing Class</u>
Investors Summa Global Environmental Leaders Class	into	Investors Summa Global SRI Class
Investors U.S. Large Cap Growth Class	into	IG Putnam U.S. Growth Class ¹

The Manager intends to wind up each Terminating Class as soon as reasonably possible following its Merger. The Mergers will be effected through a share exchange between classes of Investors Group Corporate Class Inc. on a dollar-to-dollar basis. Upon completion of the Mergers, the assets of the Terminating Classes will be invested in their corresponding Continuing Classes according to the investment objectives and strategies of the Continuing Classes.

The Manager has referred the Mergers to the IG Funds Independent Review Committee (the “IRC”) for review with respect to any actual, potential or perceived conflicts of interest arising from the Mergers. The IRC consists of individuals who are not in any way related to the Manager or its affiliates. After reviewing the Mergers, the IRC has determined that they achieve a fair and reasonable result for the Classes.

The Mergers are not considered by the Manager to be material to either of the Continuing Classes, but Investors of Investors Summa Global SRI Class and IG Putnam U.S. Growth Class will be asked as required by corporate law requirements to approve an amendment of the Articles of Investors Group Corporate Class Inc. to permit their Classes to acquire the shares of their corresponding Terminating Classes.

Investors of each Class (referred to as a “Class”) as at the close of business on December 5, 2011 (the “Record Date”) will receive a Management Information Circular and Proxy package and will be entitled to vote at the Special Meeting of their Class (the “Meeting”). If you acquire shares in a Class after the Record Date, you may be entitled to vote provided that you establish proper ownership of the shares of that Class and request, at least 10 days before the Meeting of your Class, to be included in the list of Securityholders of your Class for purposes of voting at the Meeting of your Class. Investors in each Class will be asked to approve the Merger of their Class at a Meeting of Securityholders to be held on or about January 23, 2012. The Mergers, if approved, are expected to take effect after the close of business on or about February 3, 2012 (the “Effective Date”).

¹ The IG Putnam U.S. Growth Class is a new Class to be issued by Investors Group Corporate Class Inc. for which a separate Preliminary Simplified Prospectus dated September 23, 2011 has been filed with the securities regulatory authorities in each of the provinces and territories in Canada. The Simplified Prospectus of IG Putnam U.S. Growth Class has not yet become final for the purpose of a distribution. Information contained in the Simplified Prospectus of IG Putnam U.S. Growth Class may not be complete and may have to be amended. The shares described in the Simplified Prospectus of IG Putnam U.S. Growth Class may not be sold until a receipt for that Simplified Prospectus is obtained by the mutual fund from the securities regulatory authorities.

On or just prior to the Effective Date of the Mergers, the Manager will suspend purchases of securities of the Terminating Classes. Investors will have the right to redeem securities of each Terminating Class (less any applicable taxes and fees) up to the close of business on the day prior to the Effective Date of its Merger. Following the Mergers, pre-authorized contribution plans and automatic withdrawal plans which were established prior to the Mergers with respect to the Terminating Classes will be re-established in comparable plans with respect to the Continuing Classes unless investors advise otherwise.

It is not expected that the Mergers will impact pre-authorized contribution plans and automatic withdrawal plans which were established with respect to the Continuing Classes. The Manager does not intend to suspend purchases or redemptions of securities of the Continuing Classes. Investors in the Continuing Classes may redeem their shares (less any applicable taxes and fees) at any time up to the Effective Date of the Mergers.

Investors of the Classes have the right to dissent and receive the value of their shares (less any applicable taxes and fees), or alternatively may simply choose to redeem their shares of the Classes at any time up to or after the close of business on the Effective Date of the Mergers.

The Mergers are subject to any necessary securityholder and regulatory approvals. The Manager may, at its discretion, elect to delay or not proceed with any one or more of the Mergers even if all approvals are received if it determines this to be in the best interests of any Class.

More information about the Mergers may be found in the Management Information Circular and Proxy package, a copy of which may be obtained by contacting your Investors Group Consultant. The documents are also available at www.sedar.com.

In all other respects the disclosure in the Simplified Prospectus remains the same.

Purchasers' Statutory Rights

Securities legislation in some provinces and territories gives you the right to withdraw (the "Withdrawal Right") from an agreement to buy shares of mutual funds within two Business Days of receiving the Simplified Prospectus, or to cancel your purchase within 48 hours of receiving confirmation of your order.

Securities legislation in some provinces and territories also allows you to cancel an agreement to buy shares of mutual funds and get your money back, or to make a claim for damages, if the Simplified Prospectus, Annual Information Form or financial statements misrepresent any facts about the mutual fund (the "Misrepresentation Right") or in the event of a failure to deliver the Simplified Prospectus. These rights must usually be exercised within certain time limits.

If you set up a Pre-Authorized Contribution Plan into your Class, you will not have a Withdrawal Right for your purchases other than in respect of your initial purchase, unless you are entitled to receive (or you request to receive) the most recent copy of the Simplified Prospectus for your Class annually, but you will have a Misrepresentation Right whether or not you receive annually a copy of the most recent Simplified Prospectus for your Class.

For more information, refer to the securities legislation of your province or territory, or consult your lawyer.
